

Wyandotte Public Schools  
Kindergarten + Registration Form

The K+ program is a child care program that is connected to the kindergarten learning environment.

The K+ program offers a nurturing atmosphere of consideration and respect. The Kindergarten teacher and the K+ team plan together to offer a high quality learning environment which includes phonics, reading, writing, math and library. Social skills are developed through positive interaction and play. The children go outside everyday weather permitting.

A daily snack is provided FREE. However, store purchased donations are always welcome.
